All departments require candidates to be U.S. Citizens. The age limit may vary by agency relative to test date, application date, hiring date, etc. Act 120 refers to the Municipal Police Officers' Education and Training Commission's Basic Police Training course. Driver's licenses must be valid. Most agencies that require a high school diploma will also accept GED. **These are minimum requirements and agencies reserve the right to implement additional eligibility requirements.**

Candidates should check off those agencies who should receive the candidates written and fitness results.
